

Join us for our annual gathering.

It is the perfect opportunity to reacquaint yourself with what we do and celebrate our progress. Meet with board members, volunteers and principal, Nicki Smith at the East Palo Alto Academy, a Stanford New School (pictured below). EPAA is a public charter school that is open to all. Dr. Smith will talk about innovative ways teachers have used EPAK grants to strengthen education at her school and lead a classroom tour where you can observe teacher grant recipients in action.
