1. I will use these funds for the purpose I have stated.
2. I will request permission in writing *before* making any changes.
3. I will send this post project report and original receipts on an 8 ½ x 11 paper, labeled, and tallied.
4. I will return unused funds to EPAK or request in writing before using them.
5. I will leave anything purchased with these funds at my school if I leave, so that the children of East Palo Alto will continue to have the benefit of this grant.
