Dear East Palo Alto Kids Foundation,

I want to take this opportunity to thank you for your recent donation to my class. With the current grant, I was able to buy math manipulatives as well as add to the class' building centers. I have found that both additions to my classroom activities have increased social interaction as well as help children gain a better understanding of math concepts such as addition and number quantities. I cannot thank you enough for your generous donation.

Thank you very much,
