

Dear EPAK Foundation,

My name is Araceli Gonzalez and I go to Belle Haven Community School. I am writing to thank you very much for the "New Explorer Student dictionary's". Now we learn fast and we don't disturb other classes. We use the dictionaries in this class a lot. MR. Rodriguez has made us look up lots of words and now we could look them up faster than before. Thanks to the new dictionaries my vocabulary has expanded and it makes me feel smarter.

THANK  
YOU!!!
